

BASIC RUSSIAN FOR LAW ENFORCEMENT

Class Size is Limited

We are mandated by the Office of National Drug Control Policy to give priority to Northern CA HIDTA task force members, LEOs assigned to narcotic enforcement duties followed by members of agencies within the NC HIDTA.

When: August 8, 2019
0800-1700 Hours

Where: Location will be provided upon acceptance into class.
Windsor, CA

Course Description: This scenario-based course provides law enforcement personnel with the skills to interact with the Russian-speaking community to deter, interdict, and counteract drug-related activity. Students will not only be provided with a foundational basis of the Russian language upon which to build for future use, but will also leave the course with a greater understanding of Russian-speaking culture and societal norms. These skills coupled with practical scenarios involving drug-related traffic stops, smuggling interdictions, and organized crime syndicate analysis will provide the student with a Russian language survival guide for law enforcement operations.

Course Length: 8 hours

COST: There is no cost associated with this training.

Parking: Free onsite parking is available.

This is a secure facility and law enforcement ID is required.
