AGENDA

11:00 -11:15 Welcoming Remarks; Introductions; Program Updates

11:15-11:45 Cybersecurity Update

**Kellyn Wagner Ramsdell, NCRIC Intelligence Analyst**

The Northern California Regional Intelligence Center (NCRIC) is the hub for intelligence gathering and support for many incidents taking place in the San Francisco Bay Area. Join us for a briefing on the latest cyber threats, and learn about the resources available to NCRIC and SF Bay Area InfraGard members.

11:45-12:30 Networking Lunch (provided)

12:30-1:15 Evil AI (Artificial Intelligence)

**Gregory Morawietz**, *CEO of Single Point of Contact*

Learn about the dark capabilities of AI including how it can be tricked and engineered into becoming a cyber weapon. This presentation will dive into the steps you can take to gain awareness and understanding of the new paradigm.

1:15-1:45 Health Care Sector Update

**Carl Hess**, *NCRIC Medical Liaison Officer*

What are some of the top of mind issues in the health care sector? Carl will discuss the top risks and possible remediation measures and resources.

1:45-2:00 Other Businesses

2:00-3:00 Optional Tour of the Salesforce Tower

***Thank you for your participation!***
